Rolling Along in the Alphabet!

We continued to get a quick introduction to the letters. Next week, we will finish the alphabet and then will start concentrating on one letter at a time to learn each one's sound and how to write it correctly! We read an "expository" text

called Hands Can and made lists this week of what our different body parts can do! We added the word "can" to our word wall. We read a book called I Can, I Can together during Work Station time! We felt so proud of reading a book to-

gether! We completed a page for each letter in our ABC book. We should be finished next week and will bring them home when we are finished. We also practiced writing letters on marker boards and found the letters in our names!

Next Week:

- ☉ No school Monday—Labor Day
- ☉ We have our pictures taken Wednesday morning—\$ due on Tuesday
- ☉ Letters Qq-Zz
- ☉ Words: I & can
- ☉ Themes: Gingerbread Man & Grandparents
- ☉ Library books due by Wednesday

Topic 1 in Math—Finished!!

We finished Topic 1 (Sorting & Classifying Objects) in Math. We took our first Topic "Test"

on Thursday and your child should have brought it home with them today—look it over

and practice sorting objects by shape, color, or both. We started our new topic—Position & Location.

ABC DISCO!!!
